or MATTRESSES don't fail to see my fail stock of elegant and superior designs. The prices have been reduced until they are lower than they have been in thirty years. All can be suited. I have goods that will please the rich or the poor. Examine my stock, and the prices shall please. SAMUEL W. HARWOOD, Governor street, Richmond.

FINANCIAL. MANCHESTER BONDS.

These houds are issued by authority of the City council, under an act of the Legislature, "for the purpose of paying off the unbonded indectedness of the city, and for paying the streets." The act limits the Issue to \$60,000, and provides for a tax for their redemption at maturity. With this issue the bonded indectedness of Manchester is \$256,700. The property belonging to the city is worth more than the cuttre amount.

The BONDS are in denominations to suit all classes of investors, and are offered for the present at the very low price of 90. The price will be advanced to 92 on the 1st of December.

RICHMOND, VA., MONDAY MORNING, NOVEMBER 19. 1877.

Richmond Dispatch.

VOL. LII.

PAPERS OF THE CITY

MONDAY......NOVEMBER 19, 1877. . AZ-THE CIRCULATION OF THE DISPATCH IS LARGER THAN THE COMBINED CIRCU-

WEATHER REPORT. INDICATIONS FOR SUNDAY .- For the Middle Atlantic States, falling followed by rising barometer, warm east to south winds, veering to colder northwest wind, and occasional light rains are probable, succeeded

by clearing weather during Sunday. For the South Atlantic States, higher barometer, northwest to northeast winds and generally colder, clear or partly weather. For the Gulf States, generally lower pressure, nearly stationary temperature, northeast to southeast winds, clear or partly cloudy weather, and in Texas possibly rain areas, followed by falling barometer, northwesterly winds veering to northeasterly and southeasterly, and colder, clear or partly cloudy weather.

THE WEATHER SATURDAY was clear, mild, and pleasant.

THERMOMETER SATURDAY: 6 A. M., 48 A. M., 53; noon, 71; 3 P. M., 72; 6 P. M., 69; midnight, 50.

The roads and bridges are in tolerable condition. Game is abundant, and the labors of both the sportsman and pot-hunter are amply re-

> warded. The jail is empty, and the poorhouse has fewer inmates than usual. The public schools are well attended by white and colored of both sexes. The

> Nearly all of the churches have services at least each alternate Sabbath, and they are always filled. Sabbath schools are held every Sunday at all of the churches. A number of marriages have recently

taken place, and many others are announced as usual: Four cards, \$1; large size, \$1 and upto occur before spring appears. The number of births in the county for the past year | Express Company's office. was considerably in excess of the number of

There is but little sickness in the county and that not of a virulent character. Mumps has prevailed in some sections, but most of those afflicted were so fortunate as to have ing the number of "big meetings" held this summer the supply of chickens, butter, THE MIGHTY DOLLAR.-The Florences and eggs is by no means exhausted. More greatly increased. More hogs are fattening for the good time coming than at any time the thrifty housewives to lay in a good stock of dried fruit and to save some apples for winter use.

Even the chestnut, hickory-nut, and walnut crop is better than usual, and the woods abound in acorns for the benefit of the pigs who stray from the barn-yard. Many new settlers have come in, and others are prospecting with a view to lo-cating permanently. The sheriff, constable, and civil justices are loud in their complaints of dull times. Feasts, festivals, social gatherings, and merry-makings are reported all over the county.

In the coal-fields considerable coal is befused to a decree of the Circuit Court of ing raised, and the prospects are bright for the resumption of all the mines. The products of the forest have yielded considerable revenue, many persons being engaged in getting wood, lumber, shingles, staves, hoop-poles, &c. A number of saw-mills are in successful operation. In some parts of the county sumac is still being gathered, and the persimmon crop is very promising. At the granite quarries some beautiful stone is being taken out, and operations are

being continued on an extensive scale. A large number of new dwellings and stores have recently been erected, particularly near Half-Way Station and Midlothian. Chesterfield is rich in all natural resources but it is richer still in her sturdy yeomanry, who, despite war and every obstacle, are striving to develop those resources, and in its fair and lovely daughters, who are aiding them not alone with smiles, but with more substantial encouragement. It has a good climate, a fertile soil, and is convenient to market. It has been the nursery of great men, and has others who will yet make their In re James P. Jennings. Robert Catlett mark. Knowing the thrifty, law-abiding, appointed special commissioner to make generous nature of her people, it is a pleasure to testify that from Manchester to Et-In re W. H. Carey. Sale of real estate tricks, and from Bellona Arsenal to Bermuda Hundreds, all is well, and that the condition of Chesterfield is healthy, hopeful, and prosperous.

The Mayor's Salary .- It is not believed that the salary of the Mayor will be reduced. If the position is an unneessary one, abolish it.
